Dear Brothers and Sisters,

Om Sri Sai Ram.

The Sathya Sai International Medical Committee has been blessed by Bhagawan Sri Sathya Sai Baba to conduct medical camps globally to serve needy patients. In Prasanthi Nilayam, International Medical Camps are held twice a year, during Guru Poornima and Bhagawan's Birthday celebrations.

These Medical Camps provide a blessed opportunity for healthcare professionals, Young Adults and general volunteers to participate in various services, including direct patient care for medical professionals and other duties for non-medical volunteers. The next International Medical Camp in Puttaparthi will be held during 18–25 November 2017, with camp setup on 17<sup>th</sup> November.

During the 2017 Guru Poornima celebrations in July 2017, 75 medical and general volunteers from 12 countries offered loving services to more than 3,750 needy patients. During the 2016 Swami's Birthday celebrations, 80 medical and general volunteers from 11 countries offered loving services to more than 6,100 needy patients in Prasanthi Nilayam. Further details about the medical camp held in November 2016 and during Guru Poornima 2017, illustrated with beautiful pictures, can be found in the attached reports.

Serving at these medical camps as a volunteer is a wonderful opportunity to experience Swami's love and His blessings through service to the needy. All doctors and non-medical volunteers who are interested in serving at these medical camps in Puttaparthi may contact:
